Corona 19 Virus Protection

We strongly urge you to have all your vaccinations, a booster shot, a N95 mask and proof of vaccination before coming. We take virus protection seriously. Hand sanitizer will be readily available. Air travel is relatively safe as air is exchanged through HEPA filters, similar to what hospitals use, every 2 1/2 - 3 minutes.

Transportation

Los Angeles International (LAX)

Utilize LAX only if you intend to rent a car. Driving takes about 1 hour 25 minutes or 69 miles along the scenic coast. Look for a railroad bridge crossing the 101 at an angle and your off ramp is immediately at the bridge. Turn left at the top of the ramp and then either left again for a parking structure or right to hotel parking lot.

Burbank Airport (BUR)

Highly recommend Burbank / Bob Hope airport as it is less crowded than LAX.

Car Rental

If renting a car driving takes about 1 hour 20 minutes or 65 miles.

AMTRAK Train

AMTRAK is the best way to get to the hotel as the station is a 1000 feet from the airport terminal building.

To purchase tickets online go to <https://www.amtrak.com> Click on Round Trip. In **FROM** type in **BUR**, in **TO** type **VEC**, Type in date and time you want to travel to and from Ventura. Strongly suggest you set time to allow arrival 3 hours before flight leaves. Click on the green **Find Train**. Click on either Coach \$23 or Business (\$34), then O/W next to the train you want. Click on Add to Cart and continue to Payment page.

Walking from Burbank airport to AMTRAK station

As you exit the main terminal entry turn right and walk down to the second striped walk way and cross the road to the Valet parking area. Take the escalator up to a series of moving walkways that take you to Empire Avenue. Cross over at the striped walkway and then up the ramp to the North Bound Amtrak platform.

Shuttle Service to and from airport to train station

If you are not up to walking you may take a **FREE** shuttle bus by calling **818-729-2245**. The bus pickup point is across the road at the striped walkway at the south end of the Amtrak platform. At the airport terminal go to the bus pickup at the **Valet Parking area**. Once you arrive at the Ventura Amtrak station look south and the tall building, 1,600 feet away, is the Crowne Plaza Ventura Beach. We plan to have vehicles at the Ventura station to transport you to the hotel if you choose not to walk.
