Franklin, TN 37064

1. \$400.00 USD scholarships will be awarded for students of dancing, piping, fiddling, and drumming. Grants in other areas are not available. All applicants must have a minimum of two years experience in their specialty and be 18 years old or younger.
2. Decisions of the scholarship committee will be based on the applicant's objectives, commitment, demonstrated proficiency, anticipated development, and future goals. The scholarship is open to any person regardless of race, creed or gender. We give preference to those of Munro descent.
3. A recommendation by your current teacher is a necessary part of this application. Also include a reference from your previous teacher if you have been studying with the current teacher less than a year. The recommendation should state the teacher's position, (i.e., dance instruction, pipe major, music director, etc.,) and the length of time the applicant has studied with the teacher. **It should address the applicant's skill level; progress made this year; commitment; demonstrated proficiency; and the anticipated development. No application will be considered without this letter of recommendation.**
4. To give the applicant more control over the application process, we require the applicant to obtain the letter of recommendation and mail it in the same envelope with his/her application. **Your application and letter of recommendation must be postmarked no later than March 31, 2020 to be eligible for consideration by this committee.**
5. Scholarship award winners will be determined by the scholarship committee by May 31, 2020. All recipients will be notified by e-mail, so be sure to include an e-mail address on the application.
6. Grants will be sent directly to the school you designate and must be returned if you do not attend.
